ERROL PUBLIC LIBRARY REPORT -- 1989

Many thanks to all who have used and supported the library this past year. Special thanks again to Hartley and Etta Sweatt for the flowers, to Carol West and Jane Sweatt, voluntary story hour coordinators, for their efforts in the story hours and their help with fundraisers, and to Lisa Close for her free instruction in dried flower arranging.

Our library continues to grow in service and circulation: this translates into more programs, more library materials and services being used, and more use of the library as an information center. Circulation, the number of books and other materials checked out, is up 51% over 1988, from 4,512 to 6,807.

1988 programs included "Sail into Summer," a preschool story hour series, story hours in August for grades K-3, "A Step Up with Reading" summer reading program, classes in dried flower arranging, a bedtime story hour, a film on whales, local author presentation, a Thanksgiving story hour, and a new preschool story hour series headed by Carol West and Jane Sweatt, "Make Way for Learning."

The newest and most exciting addition to the library is our computer, a gift from the School for Lifelong Learning and the New Hampshire State Library. We received completely free, a Digital Rainbow CPU, keyboard, monitor, and accompanying software. The new budget item for computer supplies is to purchase a printer, modem (to access the State Library's database), surge suppressor, and miscellaneous supplies (paper, floppy disks, etc.). The two immediate uses for the computer will be onsite searching of NHAIS (New Hampshire Automated Information System) for faster inter-library loans, and for printing catalog cards, with many more functions to come.

Melinda Hawkins has now completed the eight courses required in the School for Lifelong Learning's Library Techniques Program, finishing up with "Microcomputers in Libraries." She is now awaiting her graduation certificate.

The library now has videos to lend for free! We belong to the North Country Library Cooperative, which was recently awarded the John D. and Catherine T. MacArthur Foundation Classics video series (over 200 videos). We receive one or two different sets every two months. We also now borrow videos from the State Library and receive new ones at the beginning of each month.

The new storm door is on, the chemical toilet is in. A regular toilet is impossible because of the location of the town well. Toilet facilities are one of the State Library standards for associate libraries. With the installation of running water and adequate handicapped accessible entrance, we will be ready for the review committee on standards. As a member of the Statewide Library Development System, meeting standards benefits us the following:

- 1). Library Services and Construction Act Grants
- 2). Consultant Services
- 3). Van Delivery Service
- 4). Film and Video Service
- 5). Centralized Card Service
- 6). Annual Grant (Approximately \$110)

Please use and support your library! Take advantage of the resources available, bring your suggestions and ideas, borrow videos for free, read our magazines; in short, get your money's worth! It's your tax dollar.

REPORT OF THE POLICE DEPARTMENT

TOWN OF ERROL -- 1989

Dear Citizens of Errol:

I'd like to take this time to thank Everett Eames and Timothy McKenzie for helping me serve this town. I'd also like to thank the State Troopers and Fish & Game Officers for helping me in 1989. Special thanks goes out to the dedicated EMT's. They have volunteered numerous times to assist with traffic accidents and rescue missions.

As you will see in the chart below, the activity for 1989 has increased tremendously from 1988. The Police Department is now asking for \$8,500 for the 1990 budget. One reason is because \$1,500 of the increase to the police department is due to a break-in of the police storage room, which occurred in the town hall. This \$1,500 will be reimbursed to the town by our insurance company (minus a \$250 deductible). Another reason is because last year the citizens of Errol asked that the police department get their own telephone. In 1989 this cost the police department \$378.74 (for eight months), which will be an expected expense each year.

I feel that this \$500 raise in my budget is not too much to ask for; my new expense (police telephone) is going to run around \$400 in 1990.

Respectfully submitted,
Chief Richard L. Boisvert

REPORT OF THE ERROL RESCUE SQUAD

1989

This was an encouraging year for our rescue squad as we were joined by four new members at the completion of a first responder course held at the Errol Town Hall this past summer. Their help will be put to good use, as the year passed with another record number of calls:

10 Automobile Accident Injuries

1 Snowmachine Accident

1 Drowning

2 Cardiac Arrests

7 Medical Emergencies

1 Diving Accident

3 Fractures

1 Dog Bite

8 Miscellaneous Trauma

Our yearly budget has been used to update and replace our equipment. In particular, this year our radios have required repair and a change in channel programming, resulting in improved communication between us, dispatch and the ambulance.

We would like to extend our sincere appreciation and gratitude to the Bicentennial Committee for their generous donation of funds for our education, and also those private individuals who have continued to donate to us.

We would like to extend a very special thanks to an important and unrecognized group of helpers -- our bystanders. Although we could never remember all your names, you know who you are, and there are times when your help is invaluable.

Last, but not least, we would like to thank the Errol Police Department for their help when it really counted.

SCHOOL WARRANT

The State of New Hampshire

To the inhabitants of the School District in the town of Errol, in the County of Coos, qualified to vote in District affairs:

You are hereby notified to meet at the Town hall in said District on the 15th of March, 1990, at 3:00 o'clock in the afternoon to act upon Article 1 and 7:30 o'clock in the evening to act upon Articles 2-6.

Polls are open for election of officers from 3:00 P.M. to 8:00 P.M.

1. To choose a member of the school board for the ensuing three (3) years (By ballot).
2. To see if the District will vote to accept the reports of agents, auditors, committees, and officers heretofore chosen, as printed in the annual report.
3. To determine the salaries of the school board and other School District officers and fix the compensation of any officers and agents of the District.
4. To see if the District will vote to authorize the school board to make application for and to accept, on behalf of the District, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, private individuals, corporations, or any federal or state agency to expend the same for such projects as it may designate.
5. We the residents of the Errol School District find the State of New Hampshire to be unfair in the funding of public education, thus creating an undue burden on the local property taxpayers. We strongly request that the State of New Hampshire Legislature begin in earnest to study methods for substantially increasing state aid to education.
6. To see if the District will vote to raise and appropriate the sum of \$18,200 to construct a combination tennis and outdoor basketball court. (By Petition)
7. To see if the District will vote to raise and appropriate the sum of \$330,932 for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.
8. To transact any other business which may legally come before this meeting.

Given under our hands at said Errol this ____th day of February, 1990.

REPORT OF
SUPERINTENDENT OF SCHOOLS

To the Citizens of the Errol School District:

The decade of the 90's will bring with it a number of changes on the local, state, and national levels. Some of these changes will not have a direct impact on the Errol community but will bring with them subtle differences which will begin to affect your children. On the national agenda these include national certification of teachers, a push for a national curriculum, greater accountability on the part of the school system, choice of schools where parents will send their children, day care programs, 12 month school years, etc. On the state level one might reasonably expect many of the national issues to be adopted as well as some exclusively state issues. Two of the state issues will be state financial aid and greater state control. On the local level communities will find they will have less control over what may have been at one time a purely local issue. In the minds of some that may constitute an improvement. In the minds of others it may very well be a step backwards.

New School

The dedication of the Errol Consolidated School on August 27th, 1989, was the beginning of a new era. The community of Errol had finalized its commitment to maintain a school in Errol well into the 21st century. The proof of that commitment in its physical form is there for everyone to see. The people of Errol can be proud of what they have accomplished for future generations of their children.

The successful completion of the new school came as a result of hard work on the part of a number of people. Particular credit goes to the members of the Errol School Board and its chairman Norman "Pete" Eames. Perhaps most notable and the one who gave more than all of us put together was Archie Peabody, our Clerk of the Works. The project could not have been completed without his dedication and hard work. Not to be slighted are Jesse Eames, the chairman of the Building Committee and Tom Bembridge who turned out to be a better auctioneer than many of us thought him to be. And to make the building a place for children credit goes to the PTO for its fund raising and for its

efforts to create a playground for our children. In this project, as in all successful ventures, people make the difference.

School Warrant

The school warrant contains very little to set it apart from prior years. At the request of the Plainfield, New Hampshire School District Article 5 was inserted to get a sense of the community's feelings on the issue of State Aid. Errol receives little from the state to help it provide an education for its children. Because Errol is land rich the formulas that are used to distribute state aid work against us. Until those formulas are changed we can continue to expect little help from the state.

Article 6 is a petition article and comes from a group of people in town who wish to expand the school's facilities to include a tennis court and basketball court at a cost of \$18,200. The school board or I have no comment to make about the article. I do wish to go on record, however, that if approved by the people the tennis court be located away from the building so as not to obstruct an addition to the building should someday the people wish to add more classrooms or a gymnasium.

1990-91 Budget

The 1990-91 budget on the net side shows an increase of 5.7% over 1989-90. The bulk of the increase may be found in teacher salaries, a new reading series, a part-time librarian to be shared with Milan, and the S.A.U. budget. The part-time position is required to meet the N.H. Minimum Standards which must be in place by the fall of 1991. The increase in the S.A.U. Budget, on the other hand, is primarily due to the increased valuation in Errol. Overall, the increase is very much in line with the inflation rate.

Building Fund

The Building Fund currently carries a balance of \$13,000+, most of which (less credits due) will be needed to make the final payment on the construction of the building. Some extras have yet to be paid for and some warranty items have yet to be corrected. When all is done I expect a balance of approximately \$5,000/\$6,000 to remain.

Perhaps of interest to those of you who questioned what we might have earned on the investment of the building funds monies, the latest figure available through January 31, 1990, was slightly in excess of \$25,500. We had projected well over two years ago that we might expect approximately \$25,000 while the school was under construction. It appears

we have met and exceeded our projections.

In anticipation someone might ask what the funds (\$25,000+) were used for, the money was used, less the balance of \$5,000/\$6,000 to tear down the old building, install the asphalt around the school, and landscape the grounds.

Summary

The future of education in Errol will see many changes during the decade of the 90's. If we plan well those changes will create more opportunities for our children. Their future rests with us today!

Many individuals contribute to the accomplishments of a school year. In Errol's case many thanks go to the parents of our children for their support and understanding, to the Errol PTO for all the work it had undertaken in support of the school and the development of the playground, to the school district clerk, to our moderator, to our teachers and support staff, to the Building Committee for its efforts and dedication, and to the members of the Errol School Board for their many hours of hard work and dedication. All have contributed to making our school what it is. Hopefully, all these groups and individuals will be part of what the school system will become in the future.

Respectfully,

ROBERT BELLAVANCE
Superintendent of Schools

Errol Consolidated School
Principal's Report - 1989

The students and staff moved into a new school building at the beginning of school year '89-'90. Enrollment at the start of the school year increased by forty percent over the last school year, and we project an enrollment of about fifty for the near future.

The Errol School Association

The Errol School Association made the decision to construct a new playground and many volunteers from this group worked on the grounds and solicited contributions to purchase new equipment. The following organizations and businesses donated money toward the playground project:

James River	\$300.00
Louise and Luc Cote	500.00
Fran Coffin	500.00
Roger Tremblay	50.00
Errol Motel	50.00
Log Haven	200.00
Errol Restaurant	150.00
Sports Association.	150.00
Bicentennial Committee	500.00
Ralph Sweatt & Sons	100.00
Daniel Baillargeon	50.00
Edward Damp	50.00
Thurston's Garage	200.00
Horace Goodrum	backboard

The school and school association received a special achievement award from the governor for their efforts. Jane Sweatt and Janice Somers went to Concord to be presented the Gold Circle Partnership award.

The association also gave the new school a stand set of the United States and New Hampshire flags. The association had several money raising projects to help accomplish their goals; these included a Christmas bazaar, a hunters'supper, and suppers at various school activities.

Activities

The students skied at the Balsams for a six week period in January and February. Cara Lariviere won the school spelling bee and went on to compete at the county level. Authors Alice Noyes and Craig Doherty spoke to the students about the books they had written. Mr. Doherty, a former principal at Errol, described how his book was published. A school winter carnival was held in February with points awarded to the winners of each event. Kristina Cote and Joshua Lord were crowned king and queen. The school association hosted a carnival supper followed by entertainment. Music entitled "Music -In-The-Schools" programs was presented several times in March. Seatrek, a project from

the University of New Hampshire, presented a program on New Hampshire history. Mrs. Davis, our physical education teacher, organized a jump-a-thon for the Heart Association. The 4-H Homemakers generously offered the services of two IFYE students. Grades 3-5 presented a public speaking program with Tony Lariviere receiving grand prize. Our first ever school curriculum fair, in which students selected a subject for discussion was won by Jonathan Lane. A Memorial Day service was held with the students placing flowers on veterans' graves. Field Day exercises were held in June with prizes donated by Luc Cote, Mike Kennard, and Fran Coffin. A mobile museum came to the school enabling the students, through lectures and displays, to learn about other countries. The students in grades 3-5 collected money to help protect a section of the rain forest in Belize. A series of mini-courses has been given, by local citizens, to students in grades 4-6. Two workshops for teachers have been held at the school during the year. A Christmas program was enjoyed by everyone.

Student Council

The Student Council, with Joe Swan as president, hosted a Halloween party for the students and the council put on various skits during the year. The council and school association had fun games of basketball and volleyball. Fran and Gloria Coffin donated their Christmas stocking money toward the council's fund, and the council conducted fund drives throughout the year.

Gifts

The school received several gifts during year among which were:

Field Day Sponsors	Luc Cote, Mike Kennard, Fran Coffin
Rubber Tree	Couture Construction
Berlin VFW	A United States Flag

ERROL SCHOOL DISTRICT
ANNUAL SCHOOL MEETING

March 16, 1989

Moderator, Mona Douglass, opened the polls at 3:00 p.m. by reading Article 1 of the warrant as follows:

Article 1: To choose a member of the school board for the ensuing three (3) years (By ballot).

The polls were open until 8:35 p.m. at which time the business meeting and voting for school board were closed. Ballots were counted immediately following the adjournment of the meeting at 8:35 p.m. Those counting were Moderator, Mona Douglass, Supervisors of the Checklist, Virginia Lane, Carol Norman and Mary McLeod.

Article 1: Sharon Lane received 32 votes; Carol Norman 1. Sharon Lane was declared elected School Board Member for three years.

Article 2: To see if the District will vote to accept the reports of agents, auditors, committees, and officers heretofore chosen, as printed in the annual report.

A motion was made by Carolyn Labrecque and seconded by Raymond Labrecque that the District vote to accept the reports of agents, auditors, committees, and officers heretofore chosen, as printed in the annual report.

There being no discussion, the Moderator called for a voice vote. Voice vote was in the affirmative and the article declared passed.

Article 3: To determine the salaries of the school board and other School District officers and fix the compensation of any officers and agents of the District.

A motion was made by Sharon Lane and seconded by Raymond Labrecque that the salaries of the School Board, Truant Officer and other District Officers and Agents to be set as listed below.

School Board	1 @	\$200.00	
	2 @	\$100.00	each
Treasurer		450.00	
Moderator		30.00	
Clerk		25.00	
Truant Officer		15.00	
Census Taker		50.00	
Checklist Supervisors	3 @	15.00	each
Ballot Clerks	3 @	15.00	each

There being no discussion, the Moderator called for a voice vote. Voice vote was in the affirmative and the article declared passed.

Article 4: To see if the District will vote to authorize the school board to make application for and to accept, on behalf of the District, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government, the State

of New Hampshire, private individuals, corporations, or any federal or state agency to expend the same for such projects as it may designate.

A motion was made by Robert Lord and seconded by Sharom Miller that the District vote to authorize the school board to make application for and to accept, on behalf of the District, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, private individuals or corporations, or any federal or state agency and to expend the same for such projects as it may designate.

There being no discussion, the Moderator called for a voice vote. Voice vote was in the affirmative and the article was declared passed.

Article 5: To see if the District will vote to indemnify and save harmless from loss or damage any person employed by the school district and any member or officer of its governing board or administrative staff from personal financial loss and expense, including reasonable legal fees and costs, if any, arising out of any claim, demand, suit, or judgment by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property in accordance with the provisions of RSA 31:105.

A motion was made by Jane Sweatt and seconded by Joanne Hammond that the District vote to indemnify and save harmless from loss or damage any person employed by the school district and any member or officer of its governing board or administrative staff from personal financial loss and expense, including reasonable legal fees and costs, if any, arising out of any claim, demand, suit, or judgment by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property in accordance with the provisions of RSA 31:105.

Mr. Bellavance explained that this pertained to people employed by the school district being personally sued outside of their job.

There being no further discussion, the Moderator called for the voice vote. Voice vote was in the affirmative and the article declared passed.

Article 6: To see if the District will vote, as required under the provisions of RSA 189:47, to add the services of a Director of Special Services to School Administrative Unit No. 20.

Mr. Bellavance stated that this person is already working and will be shared by the towns for Special Education services. This is necessary for the protection of the school district.

A motion was made by Elizabeth Eames and seconded by Jane Sweatt, that the District vote as required under the provisions of RSA 189:47, to add the services of a Director of Special Services to School Administrative Unit No. 20.

There being no further discussion, Moderator asked for a voice vote. Voice vote was in the affirmative and the article was declared passed.

Article 7: To see if the District will vote to use excess 1988-89 Sweepstakes funds in the amount of \$1,496.00 to reduce the anticipated June 30, 1989, deficit.

A motion was made by Clifford Lane, Jr., and seconded by Raymond Labrecque that the District vote to use the excess 1988-89 Sweepstakes funds in the amount of \$1,496.00 to reduce the anticipated June 30, 1989 deficit.

Mr. Bellavance stated that this will be the last allotted to us.

There being no further discussion, Moderator asked for a voice vote. Voice vote was in the affirmative and the article was declared passed.

Article 8: To see if the District will vote to raise and appropriate the sum of \$1,000.00 as a deficit appropriation to meet the tuition obligations of the District and to pay over said sum before June 30, 1989.

A motion was made by Larry Enman and seconded by Stephen Hawkins that the District vote to raise and appropriate the sum of \$1,000.00 as a deficit appropriation to meet the tuition obligations of the District and to pay over said sum before June 30, 1989.

Mr. Bellavance explained that this was the balance needed to cover a new child.

There being no further discussion, Moderator asked for a voice vote. Voice vote was in the affirmative and the article was declared passed.

Article 9: To see if the District will vote to raise and appropriate the sum of \$297,496.00 for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.

A motion was made by Norman Eames and seconded by Raymond Labrecque that the District vote to raise and appropriate the sum of \$297,496.00 for the support of schools, for the payment of salaries of school district officials and agents and for the payment of the statutory obligations of the District.

There being no further discussion, Moderator called for a voice vote. Voice vote was in the affirmative and the article was declared passed.

Article 10: To transact any other business which may legally come before this meeting.

A motion was made by Norman Eames and seconded by Sharon Lane that the District vote to authorize the school board to demolish the existing Errol Consolidated School and to dispose of the solid waste from same in the Errol landfill as provided for under the provisions of RSA 149:M:13.

After much discussion Norman Eames and Sharon Lane withdrew their original motion and a motion was made to amend the article by Sharon Miller to read as follows:

I move the District vote to authorize the school board to demolish the existing Errol Consolidated School and to dispose of the solid waste from same in the Errol landfill as provided for under the provisions of RSA 149:M:13; furthermore, that the Selectmen, School Board and Superintendent will collaborate to dispose of building materials as regulated by waste laws.

This motion was seconded by Sharon Lane. The Moderator called for a voice vote on the motion to amend Article. Voice vote was in the affirmative and the motion was passed.

The Moderator then called for a voice vote on the amended Article. Voice vote was in the affirmative and the amended article was declared passed.

A motion was made by Elizabeth Leduc and seconded by Alfred Sokoloski that teachers' salaries be published in the town report.

Mr. Bellavance stated that these were available to the public.

The Moderator called for a voice vote on this motion. The voice vote was undistinguishable and the Moderator declared a vote by show of hands. Show of hands on the motion was 12 yes and 16 no. The motion was defeated.

The Moderator asked if all had voted who wished for school district officers.

A motion was made by Sharon Lane and seconded by Melinda Hawkins that the meeting be adjourned.

Voice vote was in the affirmative and the meeting was declared adjourned by Mona Douglass, Moderator, at 8:35 p.m.

Respectfully submitted,

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board
Errol School District
Errol, New Hampshire

We have audited the accompanying general purpose financial statements of the Errol School District and the combining and individual fund financial statements of the School District as of and for the year ended June 30, 1989, as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1C, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Errol School District at June 30, 1989, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the School District at June 30, 1989, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles.
